- Represented AVMM at 1 Oct Chugiak-Eagle River Chamber of Commerce luncheon where we received our \$2K check for the proceeds from the Slippery Salmon Olympics at Bear Paw Festival.
- Taught Anchorage Museum docents about Castner’s Cutthroats so they can lead the school tours etc.
- Collected oral history, 6 Oct, from William Just, a WW II B-24 co-pilot.
- George Darrow on Sat 11 Oct & Forrest Powell on Sun 12 Oct manned the AVMM table at the AK Gun Collectors Association Gun Show. They sold 4 T-Shirts and signed up 12 for oral histories. Well Done gents!!! Thank you.
- The Aleutian Tiger display at the AK Aviation Heritage Museum is up, although more signage needs to be finished.
- The US Coast Guard Auxiliary will be briefed Tues 21 Oct.
- Brochures will be passed out at the Alaska Native Veterans march on Thurs 23 Oct at the new Dena’ina Convention Center.
- Our *Senior Voice* article has netted us 4 oral histories and Al Woodard recommended us to Lloyd Samsal (his neighbor) who was scheduled to be interviewed but was ill. He’ll be rescheduled.
- Eric Imig offered us a 20% discount (maybe more after he sees how much work) to make dual-channel cassettes of our oral histories so Jeri Taylor can transcribe them. First 6 tapes dropped off to Imig Audio-Visual Services on 14 Oct.
