

## **AVM "HAPPENINGS"**

### **Nov 2009**

- Reserved 2 tables (Sat only) for DAV Mat-Su Gun Show 28 Nov. My friend Cheryl and I will man.
- Briefed DAV MatSu #3 on AVM efforts Thursday 19 Nov.
- Susitna Civil War Round Table met Sunday 15 Nov; artillery by George Darrow.
- Reviewed progress of John Peck on our Submarines in the Aleutians project.
- VERY successful fundraiser at annual meeting; raised over \$5700 (\$3500 Quigley; \$2014 silent Auction and \$189 T-Shirts/caps/buttons). WELL DONE ALL. Thank you cards sent to all workers.
- Represented AVM at AK Veterans Honorable Service Medal ceremony at VFW Post 9785.
- Made contact with Dr. Kenneth Moch, Jeff Callahan and Ellen McKay at UAA re our virtual museum tour. More to follow after we get rolling.
- Represented AVM at Women Veteran's Appreciation Program 9 Nov.
- AVM had a table at the USMC Birthday Ball 21 Nov, with 8 of our members celebrating.
- Had to reschedule oral history on Ira Rion (3 war veteran) due to Suellyn being ill.
- Developed a scholarly use release form based on the Anchorage Museum one. Used it with Frank Broderick re the 5 Alaska Scout photos he'll use on the National Park Service Aleutian Campaign 2011 calendar. He paid the one-time use fee and paid for each photo.
- Frank may also be interested in the Aleutian Tigers photos, as he had 5 more months to fill. He'll go to Aviation Museum and look, check with Janis at NPS, and then get back to me.
- Still researching/developing the form and release issues involved with the other gent wanting to put Alaska Scout interviews on YouTube. The form we developed will cover the photos but need something more extensive for the oral histories. I'm inclined to only grant him access to the 12 min clip in use at the Anchorage Museum.
